Welcome to Students for Hope!

Join the mission to do good with flexibility and fun!

Lead the way. Provide the hope. Fund the care.

The Ellie Fund is proud to invite you to join Students for Hope - a program that focuses on connecting students of all ages with our cause! The Ellie Fund is committed to working with youths and young adults towards our mission of providing essential support services for breast cancer patients to ease the stresses of everyday life, allowing the focus to be on family, recovery and healing.

Join the Students for Hope initiative and enjoy a flexible, fun and supportive structure while introducing your students, teammates, peers and friends to a local cause!

This fundraising opportunity is ideal for students at schools of every age level, sports teams (both school and club), youth organizations, school clubs, Greek societies, National Honor Societies, student councils, community service organizations and more.

How You Can Join!

Students for Hope is structured with flexibility to fit your fundraising ideas. We know that students and other youth and young adult groups often have creative and fun ways of raising money and doing good. Read on to find recent examples of how groups have supported the Ellie Fund.

Fontbonne Academy: Fundraising Walk and Volleyball Game

Our friends at Fontbonne Academy, a private girls' high school, have been committed to do good with an annual walk in September for the Ellie Fund. Fundraising through friends and family members, the students at Fontbonne raised over \$5,000! The students continued their 2015 support with a Dig Pink fundraising volleyball game. Working together to host a delicious bake sale to sell snacks and goodies, the students and their families raised over \$300.

Boston College High School: Boy's Soccer

The BC High boys' soccer team committed to fundraising for the Ellie Fund during 2015's National Breast Cancer Awareness Month. The team raised over \$2,000 and presented the check to our Executive Director Gail Fine during the final game of their season.

Maquan Elementary: Harvest Walk

Hanson's Maquan Elementary's Student Council hosted a Harvest Walk in October and raised over \$600! They presented the check during one of their meetings to Ellie Fund Development Director Hillary Harrelson.
